

Payment Routes Loans Lifecycle Management

How the screen works

All detail screens of a financial instrument in the swim lane "Lifecycle Management" are structured according to the same pattern:

- By selecting a subpage in the red marked area on the left, corresponding additional individual information of the financial instrument is displayed. The circled number indicates how much corresponding information is available.
- The main information is always displayed in the blue-marked middle area of the screen.
- To edit the financial instrument, e.g. to enter a change in the instalment for a loan, the respective [business event](#) must be selected in the green marked area on the right of the list. A data entry window will then open at the same place to enter all the data required for the business transaction.

The screenshot displays the 'Payment Routes Loans Lifecycle Management' interface. On the left, a sidebar lists various subpages, each with a circled number indicating available information. The main content area shows details for a specific loan, and a dropdown menu for business events is open on the right.

Left Sidebar (Red Marked Area):

- Overview
- Outpayments (1)
- Business Events (2)
- Interest Conditions (1)
- Annuities (1)
- Deferrals
- Fees
- Unexpected repayments
- Notes (1)
- Payment Plan
- Commitment
- Collaterals
- Payment Routes
- Account Balance
- Customers
- Income/Expenses
- Legitimation
- Employment
- History
- Documents (5)
- Payment Behaviour
- Dunning History

Main Content Area (Blue Marked Area):
